International Digambar Jain Organization is a 501(c)(3) non-profit organization focused on promoting and preserving the triumvirate (God/Teacher/Scriptures) practices of the Jain religion for current and future generations of Jainism followers in the Washington DC Metro area - WMA.

Founding president Late Narendra Jain and Smt. Sushila Jain visualized constructing a Digambar Jain temple to fulfill the needs of growing Digambar Jain community in Northern Virginia and Washington DC Metropolitan area. With blessings from Jain Nirvyapak muni Sudhasagarji Maharaj and support from the IDJO community, the temple project began in 2016 to fulfill that dream of Shikharbandhi Digambar Jain temple.
